ORIGIN/NOTES

Reuben Reuben was an orphan with a fantastical past. Having run away from the orphanage, he took up residence in an abandoned castle. There he learned of his legacy as the ghosts who inhabited the castle reconnected him to his past. They also gave him their own powers: Strength, Wisdom, Speed, Invulnerability and Courage. *In order to access these powers however, Reuben must yell out loud "Hey Rube" He is then instantly changed to his powerful alter ego, Red Rube.

ORIGIN/NOTES

Even though he was from an All American town that had little crime, Billy desired to be a detective. Thus he went about learning to be a crime fighter. He isn't particularly adept at this endeavor however, for he is not a bright boy. He frequently misses clues, can't disguise himself well, and is kinda lazy. However, he is tireless, and that alone usually makes him successful. That and his odd strength which has made it possible for him to beat men many times his size in a fight.
