

# PLANES, DRONES and AUTOMOBILES

*Living is rigging, omae. Like burning rubber down the highway at 150 klicks an hour with only your brain to guide you. What about making a drone an extension of yourself, or undermining the security of a whole building, manipulating every camera, motion detector or security door. But the biggest kick is blowing up a car full of goons without even jacking out—weapons of destruction at your mental command ... now that's road rage, my friend.*

**Rigger 3** expands upon the basic rigging and drone rules provided in *Shadowrun, Third Edition* and offers advanced rules for robots, ships, security riggers and electronic warfare. **Rigger 3** also offers expanded vehicle listings and rules for vehicle design, construction and modification. This revised edition has been corrected and updated and includes a complete set of vehicle illustrations.

# TABLE OF CONTENTS

## INTRODUCTION

### LIFE IN THE FAST LANE

#### Vehicles and Ordinary Life

- Licenses and Registration 9
- Insurance 9
- Getting Around 9
- Modern Hazards 10

#### Wired Wheels

- Control Systems 11
- Safety Systems 12
- Security Systems 12
- Electronic Systems 12
- License Plates 13
- Fully Loaded 13

#### Automated Driving

- Autonav Systems 13

#### GridGuide

- GridGuide Components 15
- GridGuide Hosts 15
- Traffic Management 15
- Law-Enforcement Uses 15
- Coverage 15
- GridGuide and Electronic Warfare 16
- Hacking GridGuide 16

#### GridLink

#### Remote Vehicle Access

- Vehicle Termination Chip 17

#### Hacking Your Vehicle

- Hacking Vehicle Transponders 17
- Hacking License Plates 17

- Spoofing GridGuide Video 17

- Messing with Vehicle Termination Chips 18

#### Drones

#### The Power Players

- Pole Position: Ares Macrotechnology 19
- Hot Pursuit: Saeder-Krupp 19
- Road Warriors 19
- The Wild Blue Yonder 20
- Anchors Away 21
- Other Specialists 21

### THE RIGGER

#### Creating a Rigger Character

- Choosing Attributes 24
- Choosing Skills 24
- New Skills 24
- Optional Vehicle Specialization Rule 25
- Choosing Resources 25
- Dice Pools 25
- Edges and Flaws 25

#### Rigging and Implants

- Datajacks 25
- The Vehicle Control Rig 26
- ASIST Backlash 27
- Rigging and Other Implants 27
- Other Implants 28
- Rigging and Cybermancy 28

#### Rigging and Magic

#### Maintenance and Overhead

- Maintenance Costs 28
- Lifestyle Reductions 29

### Dedication

To all the Shadowrun players both new and old that helped, cajoled, advised and most of all, were patient and supporting while we revised and updated all the advanced Shadowrun books to 3rd Edition. Thank you ... now on to the stories. —MM.
