## Without Death, What's Left to Fear?

The Orpheus Group tells its clients that it has peeled back the mysteries of life and death. Its investigators can separate their spirits from their living flesh and interact with the ghosts and spirits caught, unseen but often felt, in our world. Rumors say that Orpheus even employs ghosts itself. Some call it hogwash and skullduggery, but Orpheus can't let it pass a market opportunity.

### Plenty

Four novellas from exiting voices in contemporary horror peel back the layers of the Orpheus phenomenon. The investigators themselves are traumatized and wounded folks, existing in a world where their fears are made manifest. Worse still, digging into the lands of the dead may have awoken something from the unseen depths. Orpheus has made a profit on the afterlife, but it remains to be seen if anyone will survive to cash their paychecks.

PRAISE FOR  
**DEMON: LUCIFER'S SHADOW,**  
THE PREVIOUS ANTHOLOGY SET IN  
THE WORLD OF DARKNESS:

“Interesting and worthwhile... [this is] an anthology worth reading on its own, whether you play the game or not.”

— Michael M. Jones, *Green Man Review*

“These authors and their talents were new to me but they quickly made me a believer.”

— Jim Brock, *Burton Magazine*

“A terrific concept anthology that works!”

— J.L. Comeau, *Creature Feature*
