Mysterious Ways

A vicious killer is murdering women in New York City.

This is Lil, Sam's ex-fiancé, who doesn't think too much of Sam these days.

This is Sam (and Officer Whiskers). Sam is a depressed ex-con, ex-cop trying to drink himself into an early grave.

This is Special Agent Zassel of the FBI. One of the victims was his girlfriend and he thinks Sam could be the killer.

Which means Sam is now on the run from his former friends and colleagues and trying to figure out why he's a suspect.
